

**Evdokia Vasilou**

Evdokia Vasilou is a counselling psychologist. She holds an MSc in Counselling in General – Special Education and Health (University of Thessaly) and a BSc in Psychology (Aristotle University of Thessaloniki). She has been working for almost 8 years in a private vocational training centre in Greece, implementing training programs aiming to promote integration to the labour market for unemployed individuals and people from vulnerable social groups. She has also experience in counselling unemployed individuals participating in relevant employment actions.
